COMMITTEE FOR PROGRAMME AND COORDINATION
Thirty-second session
4-29 May 1992
Item 2 of the provisional agenda*

PROGRESS REPORT ON THE MAJOR PROGRAMME ON SCIENCE AND TECHNOLOGY

Note by the Secretary-General

1. At its thirtieth session (spring 1990), the Committee for Programme and Coordination requested the Secretary-General to submit to it at its thirty-second session, in 1992, a conclusive report on the problems associated with the implementation of the Vienna Programme of Action on Science and Technology for Development.

2. In view of the need to take into account the decisions on the legislative organs expected to be taken by the General Assembly in April 1992, it would be untimely to prepare the report requested. However, an oral report will be presented by the Department of Economic and Social Development at the present session of the Committee.
